

# How (my) projects embrace BRUTALISM

Exposing Truth

Rejection of artifice  
The distorted, fragmented portraits serve as a metaphor for how digital environments fragment identity.

Le Corbusier  
Swiss-French architect and designer

Raw Interaction

brutalism  
noun [U] ARCHITECTURE specialized  
UK /ˈbrʊtəl.ɪzəm/ (US /brʊˈtæl.ɪ.zəm/)  
Preference for rawness  
Users cannot control the final image, which reflects their unfiltered behaviors.

RESPOTE to clean lines and polite forms

Architects experimented NEW WAYS to create MEANINGFUL buildings

Anti-Polish

Critique of completed norms  
Including terminology such as 'monumentality', 'conherent results, the process itself resists aesthetic control and celebrates the imperfect.'

"A spiritual quality interest in a structure which conveys the feeling of its eternity, ..."

Louis Kahn, architect, United States

### 3 Introduction of Brutalism

what is BRUTALISM?

brutalism

noun [ U ] ARCHITECTURE specialized  
UK /'bruː.təl.ɪ.zəm/ US /'bruː.təl.ɪ.zəm/

A building style in which buildings are large and heavy-looking, and often made from concrete:
